

ANNUAL ISSUE DEVOTED TO TRAVEL IN NORTH CAROLINA

In April, we publish an annual special issue devoted to seeing North Carolina in spring, summer, autumn and winter.

Articles, information guides, maps and color photographs will showcase some of North Carolina's best destinations — both the familiar and little-known areas of the state.

WHO SEES CAROLINA COUNTRY?

For 70 years, we have reached North Carolina's countryside through the state's 26 Touchstone Energy® cooperatives.

More than 695,000 households and businesses (more than 1.5 million readers) receive Carolina Country each month by mail. We know they trust the magazine (98% of them page through every issue).

Plus, all 10 North Carolina Welcome Centers along our state border receive shipments of Carolina Country each month. The Welcome Centers will get a double shipment of the April travel issue.

WE ALSO KNOW THAT:

- 70% of our subscribers have taken one or more overnight trips in the past 12 months.
- 69% consider general travel one of their favorite leisure activities.
- 42% of our subscribers vacationed recently in North Carolina.
- 96% of our subscribers travel to their destinations by car.
- 3% spend \$2000+ on travel.
